An Alcoholics Anonymous (AA) Group

“Our membership ought to include all who suffer from alcoholism. Hence we may refuse none who wish to recover. Nor ought AA membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an AA group, provided that, as a group, they have no other affiliation.”

Tradition Three, Long Form

“Each group has but one primary purpose – To carry its message to the alcoholic who still suffers.” *Tradition Five*

Groups are autonomous, except in matters affecting other groups or Alcoholics Anonymous (AA) as a whole. Listing a group in this directory does not constitute or imply East Bay Intergroup’s approval or endorsement of that group’s approach to recovery or its practice of the traditional AA program.

Note: All interested in AA are welcome at open AA meetings. Closed meetings (CL) are for all those seeking help with a drinking problem. Family members, other twelve step program members, and guests are welcome at open AA meetings.

Los Doce Pasos

1. Admitimos que éramos impotentes ante el alcohol, que nuestras vidas se habían vuelto ingobernables.
2. Llegamos a creer que un Poder superior a nosotros mismos podría devolvernos el sano juicio.
3. Decidimos poner nuestras voluntades y nuestras vidas al cuidado de Dios, *como nosotros lo concebimos*.
4. Sin miedo hicimos un minucioso inventario moral de nosotros mismos.
5. Admitimos ante Dios, ante nosotros mismos, y ante otro ser humano, la naturaleza exacta de nuestros defectos.
6. Estuvimos enteramente dispuestos a dejar que Dios nos liberase de nuestros defectos.
7. Humildemente le pedimos que nos liberase de nuestros defectos.
8. Hicimos una lista de todas aquellas personas a quienes habíamos ofendido y estuvimos dispuestos a reparar el daño que les causamos.
9. Reparamos directamente a cuantos nos fue posible el daño causado, excepto cuando el hacerlo implicaba perjuicio para ellos o para otros.
10. Continuamos haciendo nuestro inventario personal y cuando nos equivocábamos lo admitíamos inmediatamente.
11. Buscamos a través de la oración y la meditación mejorar nuestro contacto consciente con Dios, *como nosotros lo concebimos*, pidiéndole solamente que nos dejase conocer su voluntad para con nosotros y nos diese la fortaleza para cumplirla.
12. Habiendo obtenido un despertar espiritual como resultado de estos pasos, tratamos de llevar el mensaje a los alcohólicos y de practicar estos principios en todos nuestros asuntos.
